Klamath 911 Emergency Communications District
2543 Shasta Way
Klamath Falls, OR 97601

Dear Board of Directors,

At the March 19, 2014, Klamath County Fire District No. 1 Regular Board of Directors meeting, the Board of Directors voted unanimously to support the five-year levy on the May 20, 2014, primary ballot.

We cannot begin to explain the importance that the 911 Emergency Communications District has to our agency. We 100% rely on your dispatchers to ensure our crews are given the correct information, in a timely manner, that ultimately may determine a life or death outcome during our emergency responses. Your professional dispatchers have always given everything they can, even when they are short-staffed and call volume is high.

Your ability to hire more dispatchers and maintain your equipment is critical in continuing with providing this important piece of emergency response in our county.

Please do not hesitate to contact us if there is anything we can do to help ensure the success of your levy.

Sincerely,

A handwritten signature in cursive script that reads "Gloria Storey".

Gloria Storey, President
Board of Directors
